Rep. Jim Lilly, from the 89th District, offered the following invocation:

“Heavenly God,

We thank You for the blessings You have bestowed upon this chamber, its members, and our families. We thank You for the faith You have placed in us to represent our constituents, our communities, and our state.

Truly we see the great privilege it is to be here and we recognize that we have the ability to accomplish so much here in this chamber provided we maintain our perspective on the matters which give You glory and serve to remind us that we are all God’s children.

In his 1985 State of the Union Address, Ronald Reagan said this: ‘There are no constraints on the human mind, no walls around the human spirit, no barriers to our progress except those we ourselves erect.’

Let these words echo in our hearts and minds and go forth, do great things, and let us not forget that with faith, all is possible.”

The Speaker called Associate Speaker Pro Tempore Glenn to the Chair.

Rep. Greig moved that Reps. Cambensy and Jones be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Wentworth, Canfield, Chang, Cochran, Crawford, Elder, Ellison, Faris, Gay-Dagnogo, Geiss, Liberati, Marino, Maturen, Rendon, Sabo, Sneller, Whiteford and Zemke offered the following resolution:

House Resolution No. 328.

A resolution to declare May 2018 as Community Action Agency Month in the state of Michigan.

Whereas, Citizens with limited income continue to need opportunities to improve their lives and their living conditions, thus ensuring that all are able to live in dignity; and

Whereas, Community Action Agencies were established into law in 1964 under President Lyndon Johnson in effort to aid in the War on Poverty, making 2018 the 54th year of Community Action in the United States; and

Whereas, Approximately 1,000 Community Action Agencies across the country observe May as National Community Action Month; and

Whereas, Michigan’s 29 Community Action Agencies are the only community-based organizations providing full wraparound, locally-directed services in all 83 counties in the state; and

Whereas, According to the National Association of State Community Service Programs’ (NASCSPP) annual report, in FY 2016-17, Michigan’s 29 Community Action Agencies and its partners at the Bureau of Community Action and Economic Opportunity, expended \$22,914,101 of federal Community Services Block Grant funds in support of core activities of Michigan’s Community Action network, leveraging an additional \$327,935,413 in non-CSBG funds from other federal, state, local, and private sources, resulting in a \$14.25 return on \$1 of CSBG; and

Whereas, In FY 2016-17, according to the same report, Michigan’s Community Action Agencies provided services to 181,435 Michigan residents, including 88,942 families, in early childhood education programs such as Head Start and Early Head Start; senior services such as Meals on Wheels and Home Repair; and a diverse range of programs in Emergency Services, Affordable Housing, Energy Assistance, Food Assistance, Financial Literacy, Youth Programs, Job Training, and Tax Preparation Assistance, and others; and

Whereas, The provision of such programs and services have led to 729,658 indicators of movement toward self-sufficiency and community revitalization, as measured and recorded in the NASCSPP annual report; and

Whereas, Community Action Agencies, in cooperation with the Michigan Department of Health and Human Services, have successfully administered weatherization assistance program funds which have supported energy efficiency improvements in low income housing; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2018 as Community Action Month in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to Michigan Community Action.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Green, Yanez, Hertel, Chirkun, Sowerby, Allor, Canfield, Chang, Cochran, Crawford, Elder, Ellison, Faris, Gay-Dagnogo, Geiss, Greimel, Hammoud, Hughes, Kelly, Liberati, Lucido, Marino, Maturen, Rendon, Sabo, Sneller, Whiteford, Yaroch and Zemke offered the following resolution:

House Resolution No. 329.

A resolution to declare May 13-19, 2018, as Police Week in the state of Michigan.

Whereas, In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day and the calendar week in which May 15th falls as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others; and

Whereas, There are more than 900,000 law enforcement officers serving in communities across the United States, including the approximately 17,000 full-time uniformed police officers in Michigan. These dedicated individuals serve in more than 600 state, county, and local departments; and

Whereas, Members of law enforcement deserve the appreciation and respect of the people of Michigan for the merit, dignity, bravery, and reliability they exhibit each and every day. We must also honor the sacrifices made by families of police officers, as each day they must face constant fear as their loved one works to protect us; and

Whereas, In 2016 alone, 118 law enforcement officers were killed and 57,180 were assaulted in the line of duty across the country. The names of these dedicated public servants are engraved on the walls of the National Law Enforcement Officers Memorial in Washington, D.C.; and

Whereas, Michigan's fallen officers will never be forgotten, nor will their service to their respective communities. By choosing to commit themselves to law enforcement, these brave individuals answered the call for service and willingly put their lives in jeopardy. We commend them for recognizing service as a noble career, and protecting the public safety; and

Whereas, Michigan citizens have turned to members of law enforcement for assistance and support in times of distress, whether they are coping with a personal crisis, or struggling through civil disorder or a natural disaster. Our communities rely on these courageous individuals when it is difficult to stand on our own, and we are indebted to the unwavering public service of our local and state police. We are indeed fortunate and grateful for the contributions of law enforcement officers to the people of this state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 13-19, 2018, as Police Week in the state of Michigan. We publicly salute the service of law enforcement officers in our state and nation and honor police who place their lives on the line for the safety and security of their communities.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Chang, Faris, Hammoud, Brinks, Maturen, Sowerby, Hoadley, Phelps, Canfield, Cochran, Crawford, Elder, Ellison, Gay-Dagnogo, Geiss, Greimel, Liberati, Lucido, Rabhi, Rendon, Sabo, Sneller, Whiteford and Zemke offered the following resolution:

House Resolution No. 330.

A resolution to declare May 2018 as Asthma and Air Quality Awareness Month in the state of Michigan.

Whereas, Asthma is a long-term inflammatory disease in which the airways of the lung constrict, causing wheezing, breathlessness, chest tightness, and coughing; and

Whereas, Asthma is an under-managed chronic disease in the state of Michigan, as evidenced by state and national data. In 2014, 10.9% of adults and 10.2% of children in Michigan reported that they currently have asthma. This is much higher than the national average, which is only 7.6% of adults and 8.4% of children reported having asthma nationwide in 2015; and

Whereas, Hospitalization due to asthma complications is common, with 13,000 stays in Michigan in 2013, and an increasing number of the elderly hospitalized due to these complications. The rate of asthma hospitalization in Detroit is three times higher than the state of Michigan as a whole, as 24% of all asthma hospitalizations in Michigan residents occurred with residents of Detroit. The Asthma and Allergy Foundation of America listed Detroit as one of the five most challenging cities to live in with asthma in 2015. This is evident due to the fact that the prevalence of asthma among Detroit adults was 29% higher than in the state of Michigan as a whole and the rate of asthma mortality in Detroit from 2011-2013 was 2.4 times higher than the state of Michigan; and

Whereas, Asthma is the leading cause of preventable hospitalizations for Michigan children and asthma is the leading chronic cause of school absenteeism in Michigan. The rates of emergency room visits for asthma related problems is significantly higher than national rates. The rate of hospitalization is 25.6 per 10,000 in Wayne County, which is higher than the state rate; and

Whereas, Asthma is not only caused by genetics, but also by air quality conditions in the home and in the surrounding community. Air pollution has a great effect on the lungs and causes increased asthma rates. Short-term exposure to sulfur dioxide, ranging from 5 minutes to 24 hours, is linked to increased asthma symptoms. Michigan is currently designated by the Environmental Protection Agency as having a "non-attainment area" for meeting the national primary sulfur dioxide standard; and

Whereas, The lifelong asthma persistence has decreased from 2010-2014, yet the lifelong asthma prevalence in Michigan is still well above the national rate. Public health efforts should be directed to persons with asthma and to keep our air clean to further improve asthma control and prevent severe outcomes; and

Whereas, May is a nationally recognized month dedicated to educating all Americans about air quality, comprehensive asthma management and to increase public understanding of asthma and how to manage it; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2018 as Asthma and Air Quality Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Ellison, Faris, Sabo, Green, Liberati, Geiss, Santana, Cochran, Canfield, Hoadley, Noble, Bellino, Clemente, Sneller, Sowerby, Brinks, Wittenberg, Byrd, Greig, Howrylak, Allor, Chang, Crawford, Elder, Gay-Dagnogo, Hammoud, Hughes, Kelly, Maturen, Rabhi, Rendon, Whiteford and Zemke offered the following resolution:

House Resolution No. 331.

A resolution to declare May 2018 as Cystic Fibrosis Awareness Month in the state of Michigan.

Whereas, Cystic fibrosis (CF) is a genetic disease affecting approximately 30,000 children and adults in the United States; and

Whereas, A defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs. These secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

Whereas, More than 10 million Americans are symptomless carriers of the defective cystic fibrosis gene. The disease occurs in approximately one out of every 3,500 live births in the United States; and

Whereas, There are close to 1,200 children living in Michigan with the disease. The median age of survival for a person with cystic fibrosis is 41.1 years; and

Whereas, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF. Early diagnosis of cystic fibrosis permits early treatment and enhances quality of life and longevity. The treatment of CF depends on the stage of the disease and the organs involved. A critical component of treating patients with cystic fibrosis includes access to innovative treatments, which can play a critical role in the lives of patients; and

Whereas, Michigan has a cystic fibrosis chapter in the Detroit area dedicated to raising awareness about cystic fibrosis and providing support to those with the disease. Michigan-based non-profit advocacy groups such as the Rock CF Foundation, Bonnell Foundation, Hunt for a Cure, and the Cystic Fibrosis Foundation help raise awareness of cystic fibrosis and provide support to those with the disease; and

Whereas, Michigan also has eight cystic fibrosis care centers: Children's Hospital of Michigan, Wayne State University Harper University Hospital, Helen DeVos Women and Children's Center, Spectrum Health Adult Cystic Fibrosis Care Center, Michigan State University Pediatric, University of Michigan Pediatric and Adult, Hurley Children's Clinic at Mott Children's Health Center, and Western Michigan University School of Medicine Clinics. Toledo, Ohio is also home to the Toledo Children's Hospital and Northwest Ohio Cystic Fibrosis Center which serve Michigan patients as well; and

Whereas, During the month of May, cystic fibrosis chapters and volunteers will come together throughout the state of Michigan to raise awareness about the disease to achieve their mission of curing and providing support and treatment to those with cystic fibrosis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2018 as Cystic Fibrosis Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.
